Dec 2nd - CAMU Fall Meeting - Fairfield & Woods in Denver, CO

### **II. Audience Business**

### **III. Liaison Updates**

- Board of Trustees Update -
- Staff, Engineering Update -

### **IV. Continued Business**

- 

### **V. New Business**

- Stormwater Presentation - ICON
- Town Email Blast from UEB - The Lyons Utility and Engineering Board would like to emphasize the importance of not putting Fats, Oils or Grease (also known as FOG) and Food Scraps or any Plant Matter down your drain. Wastewater Plants are not designed for this and the more you put down the drain the more the town has to pay to run the plant and the more our rates will go up. Food scraps should be composted not put through a garbage disposal. FOG should be disposed of in a sealed container into the garbage. Please help keep our utility bills from going up and our new wastewater plant running at less cost.

### **VI. Parking Lot**

- 2017 Utility FUND Budget, Pipe Water rates for 2017 Budget,
- Reserve/Rate Stabilization Funds
- Wastewater Pretreatment Policy
- LRAP INF 2.2.1
- Municipal Code Corrections
