AGENDA

1. Review of July Meeting Minutes. Motion to approve: Lauren Click. Second: Bonnie Auslander
2. Clarifier Signage Discussion – Guests: Cathy Rivers and Priscilla Cohan propose two signs for the Clarifier Community Mosaic which is located behind Black Bear Hole bridge, across from Quilt Shop. (1) A sandblasted and painted boulder that says “Clarifier Community Mosaic “and (2) a interpretive style “table” sign that describes the history of the project and has the thank-yous. A photoshopped image & estimates for cost of the boulder sign only were shared as a hand-out.

A few notes: It would be in flood way, not flood plain. Both have to go through Parks and Recs and through the Sign Code. Size and weight of boulder discussed. Can Parks and Rec pay for it? (under discussion). Possible to get \$750 price lowered? We hope to get back to them in October after we hear from LCF grant.

3. Financial Summary Update – Arielle

Operating account: \$235

Colorful Communities: \$30.54

HeARTS of Lyons: \$271.16 (2017-2018) and \$3500 in 2018-2019

\$4,295 in donation for Bell of Renewal—includes \$2K from Anita.

5. Arts at River Bend Update – Arielle

A. LAHC and volunteers to park in Town at the Elementary School parking lot. We will be selling donated pottery. Mel has priced it. First call to set up tables, etc., is 9:30 am.

B. Group photo at Arts at River Bend – Lauren – 1:30 pm at our table

5. Library Art Shows / Town Hall Art Shows – Melinda

A. We agreed to move venue of town art shows to new library. Will be in the boardroom and one spot next to it (the community room, we think). We can consider new themes, liquor licenses etc., soon

B. The hope is to continue showing one artist a quarter at Town Hall.

C. Library is looking for two liaisons to join the team. New contact there is Rebecca Schuh. Chrystal, Arielle & Lauren expressed interest. Jacob to continue to help hang art.

D. Reaching out to artists – Lauren / Chrystal—will meet offline to discuss improving the system. Perhaps send form email with bcc if they don't respond.

E. Commissions on last show – Lauren / Chrystal. Suggested kick back to LAHC is 10 to 20 % on sales. Move to make it required rather than voluntary was left unresolved.

8. Crosswalk Update and Main Street Tree Update – Sonny – completed and looks gorgeous. First-day-of-school kids were observed skipping across it. South side may be done eventually, a planetary design, but striping must be done first.

9. Power Art Box – Lauren. Just posted. Proposal: meet on Thursday Sept. 19 to vote on entries.

10. Bell of Renewal – Arielle

a. Donations (as of July 31) \$4,295 (including \$2000 from Anita Miller)

b. Melinda working on bronze plaque. Should we install temporary plaque or should we close off donations (due September 1)?

Discussion about where to store it and where the location should be (both temporary and permanent) ensued.

James Moore is about to move to Washington state within a month and wants to know where it would be stored.

After discussion, given uncertainty around completion of 3rd street bridge, Bohn Park emerged as a popular option. Mel proposed seeing piece in person and then scouting locations as a sub-committee.

Mel raised concerns about child trying to swing from upper limb.
