Lyons Spring Clean Weekend

The Lyons Sustainable Futures Commission is sponsoring a community-wide garage sale and clean-up day on the weekend of June 6 & 7. The Spring Clean Weekend kicks off with the community-wide garage sale on Saturday, June 6, beginning at 8am. The intent of the garage sale is for families, neighborhoods, churches, clubs, etc. to host garage sales all over Town. Local businesses are encouraged to participate with their own sales and sidewalk specials to welcome visitors to their shops.

The annual clean-up day will be the following day Sunday, June 7, from 8am-1pm at Bohn Park. There will be a charge per load for trash, recycle, yard waste, appliances, and E-waste - see price sheet on www.lyonscolorado.com.

In addition, the Center for Resource Conservation will have a truck on site for donations of usable household items, to promote reuse.

The goal of the two-day event is to provide the opportunity to sell or share items on Saturday, extending the life of useful items. On Sunday, the SFC hopes to further reduce landfill items by providing responsible recycling and/or dona-

tion of usable items. Please join us in these reducing, reusing, and recycling efforts, as we strive toward a more sustainable Lyons!

Note from Code Enforcement: The clean-up days scheduled for June 7 will be an excellent opportunity for residents to get rid of branches, limbs, yard waste and slash piles on their property. Boulder County Parks and Open Space, in conjunction with the Town and the SFC, will be providing a Chipper/Grinder and an excavator to load and grind. One-inch sized mulch will be available to residents after the project. If all goes well, the grinder may be available again in October! Remember, this is a low-cost and convenient opportunity to dispose of yard waste at Bohn Park. Stay tuned for more information regarding drop-off times and acceptable materials. Thanks in advance for considering this date as we continue the clean-up and beautification of our Town!
