All events were highly successful and it was a pleasure to see the community work together to ensure their success. It would be impossible to put on these celebrations without the support and assistance of such wonderful volunteers and sponsors. It was truly another enjoyable experience working with you all. Once again, thanks to all the volunteers and sponsors who made these events possible and such an incredible experience for all those involved. Please visit associated event websites for complete event highlights and listings of sponsors, supporters, and a complete listing of results.
