ARBOR DAY, APRIL 20, 2012

Colorado's Arbor Day is officially the third Friday in April-April 20, 2012. The Town of Lyons Tree, Weeds, and Landscaping Advisory Board encourages residents to plant new trees on their property in strategic locations to begin to subsidize the number of older trees that won't be with us much longer or may have been damaged due to drought or disease. The Town of Lyons Trees, Weeds, & Landscaping Advisory Board and the Department of Parks, Recreation & Cultural Events will once again be holding their Annual Tree Give Away Contest at the Lyons Elementary School. Students interested in participating may pick up an entry form at the Lyons Elementary School office or Lyons Town Hall during normal business hours. Forms may also be obtained online at www.townoflyons.com. An assembly will be held Friday, April 20th at 8:30a.m at the school for those who complete the form. Students will receive a Colorado Blue Spruce for participating in the contest. During the assembly a representative of the Colorado State Forest Service will present the Town of Lyons with the 2012 Tree City USA Award and give a small presentation on the importance of trees to the environment. There will also be a ceremonial tree planting where children will be taught the proper techniques of planting a tree.
