PARKS RULES TO BE STRICTLY ENFORCED DURING SUMMER SEASON

The Town of Lyons Department of Parks, Recreation & Cultural Events and Town Administration have recently met with the Boulder County Sheriff's Department and will be working diligently to strictly enforce all parks rules and regulations starting early this spring and summer season. The goal of this additional active enforcement is to increase the number of contacts among parks visitors and ultimately deter any increases in less than desirable behavior that may occur in the parks during peak seasons. In addition, the Town will again be hiring code enforcement officers to assist with all Town enforcement issues in local parks. Active enforcement will begin immediately and it is important that all parks users become familiar with the rules and regulations that govern local Lyons parks.
