Coexisting with Bears

The Town of Lyons Department of Parks, Recreation & Cultural Events is pleased to be hosting the State of Colorado Division of Wildlife teaching a course on how to coexist with bears scheduled for November 1st at the Walt Self Senior Housing Community Building. The class will run from 6:30 pm to 7:30 pm. With recent sightings of bears in our parks and community, we want citizens to know what to do in case they encounter a bear. Other areas to be touched on during this class include where they live, how to avoid conflicts, and more. You may call to sign up for the course at Lyons Parks and Recreation at 303-823-8250. Please provide the names of those who will be attending and contact information. A minimum of 15 participants is needed to ensure the class will be provided. There is no charge for this class.
