

## **UEB Workshop Agenda**

4:30 – 6:00 PM, Wednesday May 26, 2021 DrivingTour

1. This UEB Workshop will meet at the Lyons Maintenance Facility and start with a tour of that new facility. We will then go to the Easter Corridor Lift Station and 3 PRV's, then to the High Service Pump Station (HSPS) where the water system transfers From Longmont to Lyons, and end up at Mainstage Brewing Company for refreshments and where they are requesting an expansion.
