

Meeting 2/22

roll call - everyone here except chami @ 6

Agenda - Cassidy motion to approve agenda  
beck's seconded motion  
6-0 vote

Boulder County vaping discussion -

Info:

- county wide policies
- enforcement, flavor, licensing, zoning + price
- discussion through July 2020
- additional entities to regulate this (federal, state, et
- federal flavor bans? in effective maybe
- raised age to 21
- state interested in licensing issues
- vaping not criminalized! not harsh but ~~the~~ consequence
- 30% of ~~people~~ stores in Boulder sell to underage
- zoning laws (where can it be sold)
- see what happens at the state level
- some of us could go and participate

strategies:

- raising age
- update codes to meet Colorado clean air standards
- enforcement checks
- remove minor in possession laws
- disposal requirements

\* come on March 2<sup>nd</sup> all of us to get more 1

Beck motions to move on to next part of meeting  
Harrison seconds the motion  
7-0 vote

### Bot presentation (March 2nd)

- tell board what we have been doing
- what we have learned
- if we should learn about something else
- \* Olivia + Beck + Charlie talk to board about vaping
- make presentation w/ general update & what we think we should do
- Charlie + Olivia + Beck talk about update after meet

Charlie motions to move on to next part of meeting  
Harrison seconds the motion  
7-0 vote

### New Items of Interest

1.) pesticide free in public places:

- a lot of resources needed
- a lot of workers to keep up with needs
- pesticides present in grass in parts per billion
- safe for kids right now
- people believe it is cancer causing
- "organic pesticides"
- is there alternatives to pesticides?
- come from ...

- no ways to do this efficiently and cost c
- have to increase staff a lot
- no pesticides → help bees
- pesticides in water?

Are we interested in this? Yes!

2.) voting age to 16-17?

- we don't like it
- kids maybe don't vote on Brit but issues
- kids not responsible enough
- maybe limit to just seniors
- ★ - open discussion to school (information to kids)
  - have kids register to vote (weed out kids who do)
  - engage earlier → engage later in life
  - can increase voter turnout later
- ★ - pull data @ school
  - bring it up on March 2nd then proceed

\* talk to school about our committee to get kids!

- put meetings in announcements + bulletin
- credit for this commission @ school
- make meeting with Dr. Smith about all this
- everyone go or she come to one of our m
- start recruiting people for next year
- election in August? May? mentorship?
- \* ask kids what they want us to talk about
  - if we could utilize kids better

Maya makes a motion to end meeting  
Cassidy seconds the motion  
6-1 vote

\* Meeting adjourned \*
